31st May 1999

M/s. Gulf Engineers, - Chennai,

We are pleased to inform you of the inauguration of our Hydrant Fuelling Facilities at New Cochin International Airport at Nedumbassery on 21st May 1999. Subsequently, on 25th May 1999, the Honourable President of India, His Excellency K.R. Narayanan dedicated the new Airport to the nation. The Hydrant Fuelling Station, commissioned by us at this Airport, has been greatly appreciated by all the visitors and customers. This project was completed well before the commissioning of the Airport. Your contribution in the construction and commissioning of the State of Art facility is greatly appreciated.

As a token of appreciation, enclosed please find a plaque which would remind you of your association with this prestigious project.

With regards,

Yours sincerely,
