Dear Mr. Suresh,

LETTER OF APPRECIATION

It is with great pleasure that I am writing this letter of appreciation on behalf of the management for the dedication shown by you and your team during the recent floods.

Recall, we had a very heavy rainfall never experienced before and our plant was submerged in flood waters. Your team was ready to respond in the hour of crisis, even though each one of them underwent hardships personally owing to the flood.

The dedication and commitment by your team has ensured IAL to overcome the crisis situation successfully.

Our Management appreciates your team for the good work done in bringing back the plant to normal, without compromising on safety.

Yours sincerely,

R. Sridhar
General Manager
